Coverings for walls, **fabrics** for furnishings: the former display fantastic depictions, customizing and waterproof finishes; the latter come in precious fibers with trend-setting colors and designs, for **indoor and outdoor** use

Left, manikin with removable heads and metal base, by **La Rosa** whit Baba Jaga jacquard fabric from **Rubelli**, 37% acetate, 35% rayon and 28% cotton, in five color variants with pattern 46 cm and height 140 cm. Right, Tricot Rayure striped knit outdoor fabric by **Dedar**, 65% polyester and 35% polypropylene, in four color variants with pattern of 6 cm and height 140 cm.

Kolos ceramic tables designed by Yonoh Studio for **Miniforms** in two sizes and three glossy colors. Right, Relief jacquard fabric worked with the Gobelin technique, designed by Bruno Tarsio for **l'Opificio** in nine color variants, 70% cotton, 21% viscose and 9% nylon, pattern 13 cm by height of 140 cm. In the background, **Citta invisibili** wallpaper with cellulose base and textile fibers, free of PVC. Non-toxic, odorless, breathable, hypoallergenic, water repellent or sound absorbing, available in rolls starting from 57 cm without height limitations. Designed by Carlo Stanga for **WallPepper® Group**

Left, The Blue Click fabric in printed 100% silk, in three color variants in the height 140 cm, designed by Dimorestudio for **Dimoremilano**, Progetto Tessuti collection. Center, column covered in Tonga from the Wallcovering O3 collection in vinyl on cotton fabric, with ribbed surface composed of polymerized vinyl monomer coating, printed with water-base inks, resistant to flame, produced by **Vescom** in 19 colors, height 130 cm

On the left, Argentario Geometrico jacquard fabric for indoor-outdoor use in 63% flame-retardant and completely recyclable polypropylene and 37% polyester, in five colors with a height of 140 cm, by **Christian Fischbacher**. Right, Fantastic Madagascar fabric in printed linen and viscose with six color options, produced by **Chivasso by Job** with pattern repeat of 95 cm by height 138 cm. Manikins with removable heads and metal base, by **La Rosa**. In the background, Postmoderno, the wallcovering designed by Alessandro Fusco for **CO.DE** by **Jannelli&Volpi**, customized or not, with the possibility of 11 bases including silk, ruffia and linen, waterproofed with CO DE Layer by Rezina (a resin-base blend for fabric wallcoverings), conceived for wet zones, resistant to water, solvents, steam, UV rays.
